## PLMS FTC TEAM

Congratulations to the PLMS FTC team, Tiger STEAM for capturing the Judge’s Award at the Smithville qualifier on December 10! This is prestigious award given to a team who is a great and gracious competitor, but does not “fit” into the categories of the other awards given at the competition. Tiger STEAM is a rookie team that formed about 4 weeks ago and only began to actually build their robot 2 weeks prior to the competition. This fact greatly impressed the judges as most other teams have been working since late September or early October.

Tiger STEAM will continue its season in a meet at Camdenton on January 18th, 2017, and hopes to continue on to the Missouri state competition March 4, 2017, in Rolla.

## CELLPHONE USAGE REMINDER

Cell phones may be carried by students during the school day but must be carried in an off mode. If a student needs to contact a parent, at any time during the school day, the student must get a pass from a teacher to make the call in the office. In addition, the use of a cell phone in the hallway, lunchroom or restroom is prohibited. Cell phone usage includes but is not limited to texting, videoing, gaming, messaging, being on social media and taking pictures. Students who violate these policies will be subject disciplinary action ranging from detention to suspension.

Students may use cell phones in the classroom at the teacher's discretion; however, students using cell phones in the classroom without the consent of the teacher will be subject to disciplinary action ranging from detention to suspension. Students may use cell phones at school during dances and mixers. Disruptions of classrooms, school activities, or detentions caused by cell phones will result in an office referral and disciplinary action. In addition, headphones, ear buds must be removed upon arrival to school and may not be worn throughout the day in the hallway.
