2017 PLMS TRACK AND FIELD INFORMATION

Track and Field season is coming up fast. Being on the track team is a blast because we travel to other schools for meets to compete with other 8th graders in sprinting, running, hurdling, jumping and throwing events. Come out and find an event(s) that you would love to do, improve during the season, and maybe enough to earn a medal at track meet. All 8th grade students may participate during the season as long as they are academically eligible. The first day of practice is February 27th. There will be an informational meeting for all who are interested on Tuesday, February 14th, during power hour. See you then, and bring a friend.
