The following are important Chromebook reminders for students:

-  Students are expected to bring Chromebooks fully charged to school each day and are not allowed to go to the LMC (Library Media Center) to charge them.
-  If you forget to bring your Chromebook to school, you will need a pass from a teacher to go to STAD where you will receive a Chromebook pass to take to the LMC to get your loaner Chromebook.
-  Students will receive a one-hour detention for each time a Chromebook is borrowed after the third time in each semester. This data will be tracked by Student Administration.
-  If your Chromebook is damaged or not working properly, report to the LMC for help (not STAD), and we will determine if you need to check out a loaner Chromebook.
-  Loaner Chromebooks **MUST** be returned at the end of the school day unless you are told to keep it longer while yours is being repaired. Failure to return a loaner Chromebook could result in disciplinary consequences.
-  Remember to prevent damaged devices and cracked screens by paying careful attention to the location and treatment of your Chromebook at all times.
