Tigerette Dance Team
Team Guidelines 2017-18*

Parents and Dance Team Candidates:

The following information has been prepared to acquaint you with the LSHS Tigerette Dance Team. We feel it is very necessary that you understand exactly what is expected of you if you should be selected a member of the dance team. We strongly suggest that all parents of applicants trying out to please read this information carefully before signing the permission form. Please realize that signing this application states that you are aware of all the expectations that are required, should you be chosen a Tigerette.

At this time, we want to stress to each applicant that after having read this information, please do not sign the application if you cannot willingly abide by each of the items discussed. If you question even one of the items and feel it would be difficult for you to comply by the regulations set forth, we again encourage you to not sign the application.

As professional people, we feel it is our role to see that our youth receive the best character training possible while they are under our direction. There is more to being a member of the LSHS Dance Team than just performing. Dance team members need to always remember that they represent LSHS, and their actions and reputation effect everyone.

Try-Out Procedures

Dance team candidates will learn a short mix routine of pom and jazz and then perform a kick-line. The routine will then be performed and evaluated on the third day of try-outs within a small group. Dance team candidates will also be evaluated on their technical and performance skills during try-outs. The required technical and performance skills are listed below. In order to be selected to be a part of the 2017-18 dance team, candidates must possess specific technical and performance skills. The coaches also use the information sheet that was completed and turned in at try-outs to help determine team placement. Dance team candidates will be notified via a list posted on the B Gym doors on Browning Street on Wednesday night, after try-outs.

Tigerette Dance Team Performance Activities and Events

The LSHS dance team will perform at several events throughout the school-year such as home football half-time shows, the Homecoming parade, Mini Tigerette Dance Camp Fundraiser, school assemblies, community events (if invited), and selected home basketball pre-game or half-time shows. The dance team also will participate in 3 competitions in the MO area Dec-Jan-Feb (Examples include: Kansas City Classic, LSN Competition and State). This next season, our team will also compete at the UDA Nationals in Orlando, FL in early February. The requirement is for all dance team members to be in attendance at all team performances and competition events unless specifically told that they are not required to do so. Solo's, duo's and ensembles performances at regional and state competitions are not mandatory to compete in. Departure and arrival times for competitions and events will be announced as soon as possible once performance times are decided on.

ATTENDANCE GUIDELINES

Attendance at all practices and performances are mandatory unless absent from school the same day. If you need to stay after school or come in early to work with a teacher, please try to work around our practice schedule first if possible. Although, if you do plan to see a teacher, the dance team member must notify a coach and captain. Demerits may occur if the tardiness or absence could have been avoided. If a dance team member misses the practice prior to any performance, they may be benched for the upcoming half-time performance and part of side-lines if coaches feel it necessary due to lack of preparedness. If an unexcused absence occurs the practice prior to a performance, the dance team member will be benched from that performance. Unexcused absences will be given demerits if the absence could have been avoided. *Attendance at the summer practices labeled "Mandatory Attendance" are required and unexcused absences from these few practices will result in demerits and being benched from a performance(s). Required summer practices were condensed to allow ample time for competitive dance competitions and nationals, vacations, etc. Dance camp is also required and mandatory. If you know now that you will be absent from any of these required practices/events, communication is required immediately to see if a plan can be worked out for you so you can still be a part of the dance team.*

PERFORMANCE CUTS

As a member of the LSHS Dance Team, it is not assured that you will perform every half-time/pre-game football, and basketball season routines with the squad. The practice prior to each performance will be used to determine who will perform (based off of skill level, memory of the routine being performed and attendance). If members have been absent from practices prior to a performance, that team member must come and sit, but will not be allowed to perform at the performance the next day (see Demerits). Coach's discretion will also be used to determine the members of the team who will perform at each competition. Evaluations will be made throughout the season while competition routines are practiced and cleaned and the final decision will be made by the coaches prior to each competition. Routines may be evaluated using a try-out process. This will enable the squad to perform at its best at all times. If you are not in one of the competition routines it does not mean that you cannot be in others. You may be in one or all, depending on your skill level. The coaches evaluate on smile, style (looking like the rest of the squad), memory, endurance, sharpness, execution, and technical skill level. If a member lacks in any of these areas, she will be cut from the performance. All cuts will be decided by the coaches. If a member is cut from a competition routine, she is cut from that particular routine for all future competitions also, but remains an alternate and will practice with the team at all rehearsals. If a member has a conflict with attending a competition and has to miss and it is considered an unexcused absence, that member will be cut from all future competitions.

TEAM CAPTAIN SELECTION

The purpose of the captains is to provide team spirit, team pride, build team unity, aid in team communication, lead practice and performance warm-ups, choreograph sidelines & mini camp routines, and help with choreography of competition routines, etc. Please see "Captain Requirements" form for more specific roles of the team captains and you are interested in the position. In order to be selected as a team captain, you must be a returning team member from the previous season. **The team captain's main allegiance must be to the dance team and no other LSHS or non-LSHS team or activity. Dance team must come first above any other extra-curricular activity within/out LSHS. Application must be turned in prior to try-outs.**

Team captain positions vary year-to-year. The process this year for determining the team captains will be as follows: First, any returning team member may complete an application for the team captain positions. Next, an interview with the coaches will take place at try-outs for those who completed an application for a captain position. The coaches will then take all the collected information from the application and interview to make the team captain selections.

CAMP

The team will attend the **UDA Dance Camp at the University of Central Missouri, Warrensburg MO. July 16-19.** The team will learn at least three dance routines. These routines will be performed during half-time at home football, soccer and selected home basketball games. Because we feel that this experience is so important and valuable to each girl, camp is required for everyone. These 4 days in the summer are mandatory for all dance team members to attend, therefore ALL must attend. If you see a conflict for yourself or your daughter, please contact me immediately, **before tryouts**, to see if accommodations can be made as to where arrangements can be made for attendance. Private studio dance team competitions are not excused. Summer jobs or vacations will not be considered an excuse for not attending either. Exceptions to this may include severe injury or hospitalization, dance team studio nationals or a once in a lifetime event. Prior approval of the coach and administration is required to miss camp. If you do miss camp for an unexcused reason, the team member will be benched from the camp "Home Routine" and one camp routine that our team will perform at half-time football and basketball games. Each time the camp "Home Routine" and the camp routine is performed, the team member will be required to dress and sit, but not be allowed to perform.

PHYSICALS

It is required by the State Activities Association that all dance team participants have a physical. You will not be able to participate, including try-outs, until you have turned in your form. *In order for your physical to be valid for the summer of 2017, and for the school year 17-18, it must be dated after 2/01/17.* A current physical on file is good for tryouts and through the last day of the school for the 16-17 school year. This physical expires May 31, 2017. You can obtain a form from your school athletic office.

WORK OUTSIDE OF SCHOOL

Most students cannot be enrolled in a full day of school, hold down a full or part time job, be actively engaged in dance team, establish and keep good grades, and maintain adequate health. In most cases, something must suffer. Therefore, no dance team member may be employed unless it is on a part-time basis. **WORK WILL NOT BE A REASON FOR MISSING PRACTICE AND/OR PERFORMANCE**. If you are employed on a part-time basis, it will be necessary that your employer be very willing to allow you to miss work often for afternoon practices and performances, or unscheduled practices. There are serious consequences for those not attending practice. (see demerits)

OTHER ACTIVITIES

Due to the fact that the Dance Team is a performing group and each member's presence has a direct effect on the overall performance of the group, it is absolutely necessary for each member to attend every practice and performance. Therefore, members should not schedule any non-school affiliated activities which will conflict with the dance team activities. Performances will not be scheduled until the fall. Please remember that your **first commitment** is to the LSHS Dance Team. If you do participate in other LSHS activities, arrangements **must** be made with the sponsor or coach for missing a practice ahead of time. **Prior to try-outs, all activities must be communicated on your application and discussed with the coach for any possible conflicts.** Missing a dance team performance to participate in another school activity that could be avoided is inappropriate. Demerits can be given for missing a practice/performance per coach's discretion if it is deemed inappropriate. Missing a practice, half-time performance, or competition for a non-LSHS activity will result in demerits and/or even removal from future performances and other competitions (see demerits). Coach discretion will be used in certain situations. Remember, you are signing up for dance team in March, and if you are chosen, you owe your first allegiance to this team. Also, any junior trying out who plans to graduate at semester of her senior year, should not tryout. This is a full year commitment, not a semester commitment.

COMPETITION DANCE TEAMS OUTSIDE LSHS

We highly encourage our dance team members to stay involved in their competitive dance team programs. We believe that dance team members must continue to pursue their dance education in order to maintain and continue to improve their dance skills. LSHS Dance Team though must override any outside competitive dance program events and LSHS Dance Team members must commit to attend all functions, practices, performances, and competitions in which the Tigerettes are apart of. Therefore, demerits will be given for missing a Tigerette performance or required team activity if it is for a competition dance team program.

TECHNIQUE CLASS

In order for all dance team members to continuously possess the desired skills for the dance team at the competitive level and continue to improve, members of the team are highly encouraged to attend a weekly advanced jazz and/or ballet technique class throughout the year. A leaps and turns class is also highly recommended. Talk to a coach about local dance studios that offer such classes.

GRADES

If an applicant has not been able to make "C" or above grades before becoming a member of dance team, it would be very difficult to maintain good grades with additional practices and performance times which would take time away from her study. Therefore, it is required that the applicant be enrolled in at least 3.0 credit classes and have received 3.0 credits the semester prior to tryouts. Grades may affect team placement. Also, she may not have any "Needs Improvement" in her conduct. Tigerettes who are struggling to keep a "C" average in her classes will be placed on probation. If grades continue to be an issue, the Tigerette may be benched.

Dance team members must pass six out of seven classes in order to remain on the dance team (learning lab does not count as a class). If a member of the dance team has one "F," and is enrolled in seven class (not a learning lab), then she can still be on the team, but she will be placed on probation. She will meet with her coach and the teacher involved to plan how she will bring her grade up. If a girl receives two "F" on her semester grade card, she will be dismissed from the squad.

SCHOOL ATTENDANCE/DISCIPLINE RECORD

The applicant's discipline and attendance will be checked by the coaches. Ninety-percent attendance is required. Also, students must attend school a minimum of the last four hours of school day to participate in any activity scheduled for that day, unless excused by an administrator.

COMPETITION CHOREOGRAPHY

Dates will be selected at a later time. Attendance at choreography sessions are mandatory and will be announced at a later date.

MORAL AND ETHICAL VALUES

Certain standards are necessary for the integrity and reputation of any organization. Participation in the Tigerette Dance Team is a privilege which carries with it responsibilities to the school, to the activity, to the student body, to the community. Therefore, a dance team member is never to be truant from class. She is never to be smoking, drinking, or using any kind of illegal drug either on or off campus while a member of dance team. Profanity shall not be part of her vocabulary. She must maintain sound citizenship and desirable social traits. Dance team members must abide by the school policy as dress code, technology usage, PDA, etc. If any of the above expectations are not met, the directors have the authority to immediately dismiss the member from the squad. Remember, your attitude and behavior is a reflection of the whole squad. Therefore, a positive attitude is necessary at all times and tattling, gossiping, etc. will not be tolerated. See Conduct later in guidelines for disciplinary action.

CONSTRUCTIVE CRITICISM

Because of the precision and perfection required, uniformity is most necessary. We are all individuals and must keep that individuality. However, at times, particularly during performances, we have to work as a team. Therefore, there will be much corrective criticism given to every person. Please do not take this personally.

PRACTICE ATTIRE

Dance team members will dress for practice using their camp/practice-wear purchased and according to a calendar provided by the team captain(s). All dance team members need to wear dance shoes (NO SOCKS) and all hair must be pulled back in a pony tail, off the face at all practices *from the start of practice time*. If you have short hair, no hair can be in the eyes and also must be pulled back. NO jewelry, watches, fitbits, etc. can be worn.

PARENTAL ROLE/SUPPORT

Parental support is a necessity for any team to be successful. Therefore, we will have several opportunities for parents to get involved with the dance team. There are several committee options that parents can play a role in from stoning the performance-wear/costumes to fundraiser advisors/helpers, to spirit committees. Sign-ups will occur at the parent meeting. *If parents have a concern or question, it is imperative that they contact a coach via the contact info that is given on the practice schedule sheet in this packet. Contacting a coach for a non-emergency reason via their personal home or cell phone is not acceptable.* Email and school voicemail are the best way to contact a coach. If you need to talk to us, please state that in the email or voicemail and give state the best time and contact phone number to use.

LETTERING

Members of the LSHS Dance Team will be eligible to letter if the following guidelines are met. Remember, to letter is an honor so the guidelines are strict:

1. A member cannot accumulate more than 18 demerits throughout the entire season.
2. A member should not miss more than three performances for any reason.
3. A member must not violate the conduct/citizenship guidelines.
4. A letter is granted upon final approval from the dance team coaches.
5. A member must remain in good standing with their grades.
6. A member must have competed in at least one competition routine in all the competitions.

INJURIES

If a member has an injury, she will be expected to perform the routine requirements or be removed from the performance. If she is unable to participate a doctor must be seen and a note must be retained stating limitations and when a member is cleared for performance. Once a team member has seen a doctor for their injury, a note must be attained in order to be released.

Tigerette Dance Team Financial Obligations
