PLMS CYBER PATRIOTS – they are competing in the 3rd round of competition today. Six grueling hours will include finding security vulnerabilities in Windows and Linux operating systems and Cisco packet tracer test.

On your mark, get set, GO! 8th grade Track and Field season is coming up fast. Being on the track team is a blast because we travel to other schools for meets to compete with other track teams in sprinting, running, hurdling, jumping and throwing events. Come out and find an event(s) you would love, watch your improvements during the season, and maybe enough to earn medals at track meets. All 8th grade students may participate during the season as long as they are academically eligible. **The first day of practice is Monday, February 26th.**

There will be an information meeting for all who are interested on Friday, February 9th, during Power Hour. See you then, and bring a friend.

LET'S GO TIGERS!!!

2019 WASHINGTON D.C. TRIP INFORMATIONAL MEETING

There will be an informational meeting for 7th graders and their parents about the upcoming 2019 trip to Washington DC. The meeting will take place on Tuesday, February 27th at 6:30 pm in the PLMS Library Media Center. Students will receive information about the trip in their Social Studies classes a few days before the meeting date.

TEACHER OF THE YEAR NOMINATIONS DUE JANUARY 31

If you resolved to do more good in 2018, here is your chance! Nominations are now open for the **2018 Excellence In Teaching/Teacher of the Year** awards and are due **Wednesday, January 31, 2018**. I hope you'll consider taking time to nominate a deserving colleague or perhaps one of your own children's teachers!

Each year our school district, in conjunction with the Lee's Summit Chamber of Commerce, recognizes twelve Excellence in Teaching Award recipients and selects a Teacher of the Year. Nomination forms will be sent home with students in each of our buildings, however, nominations are also accepted from supervisors, co-workers and community members, and I hope you'll take time this year to nominate someone!

For more information about Excellence In Teaching, Teacher of the Year, a list of former recipients and other information and frequently asked questions, please visit the Excellence In Teaching and Teacher of the Year [website](#).

Dear Parent,

Great news! Our school has partnered with Big Smiles to offer in-school dental care. Even better, dental care is usually at no cost to you. All insurance is accepted including Medicaid and CHIP. A low cost self-pay option is available for those without insurance.

Convenient and comfortable

Our in-school dental program saves you time and provides a safe and comfortable place for your child to receive gentle dental care from licensed local professionals. Dental care includes a complete dental exam, x-rays, cleaning, fluoride and sealants when necessary, and in some cases, restorative care such as fillings.

Dental care for a healthy life

Children who see a dentist regularly may have fewer health issues with:

- Early tooth loss due to dental decay
- Gum disease
- Heart disease
- Impaired speech development

Help keep your child healthy, in school and in learning. If you have any questions call Syrena Saxon, our PLMS RN, BSN.

PARENT UNIVERSITY UPCOMING WEBINARS AND CLASSES

ELEVATING THE CONVERSATION ON BULLYING

The term bullying is a hot topic. Bullying is a serious problem but many argue the term bullying is over used. Join us for a different kind of discussion on bullying and how bullying differs from peer conflict. Parents will learn effective ways to respond to each and how to help your child navigate bullying and peer conflict situations

This online class is being offered as a Webinar

TECHNOLOGY: YOUR CHILDREN AND THEIR SAFETY

In this rapidly changing world, our children are now spending on average six to eight hours in front of an electronic screen. In this workshop we will discuss the risks and challenges our children face in the plugged-in, technologically evolving world. We will discuss strategies and tools to help us know how to keep our children progressing along a safe and healthy developmental path.

About the presenter: Dr. Gary Boxer is a board certified Child and Adolescent Psychiatrist with Truman Medical Center Lakewood Counseling. This program is made available through a partnership with:
