

PLMS Virtual Learning Expectations

Students

<p>Synchronous vs Asynchronous</p> <p><i>Synchronous = "live" teaching and learning virtually in real time</i></p> <p><i>Asynchronous = recorded lessons and assignments pushed to students</i></p>	<p>Direct instruction will be live every Monday and Thursday Instruction will be live or recorded on Tuesday and Friday Advisory classes will meet "live" every morning except Wednesday Teachers are available every hour, following the schedule, to meet with you Monday, Tuesday, Thursday, Friday and Wednesday by appointment</p>
<p>Assignments</p>	<p>Read all directions and examples Pay attention to due dates and complete assignments on time Teachers will post assignments by 9:00AM Follow virtual class schedule</p>
<p>Classroom Meetings</p>	<p>Will be held through Google Meet with a teacher-provided code or Schoology Conferences All meetings should have teacher supervision Be on time and stay until the end Enter meetings with yourself muted Keep yourself muted while others are talking Follow teacher direction on how to "raise your hand" Use the chat features appropriately Be an active participant Be a good digital citizen</p>
<p>Communication</p>	<p>Schoology Messaging Email - check your email frequently Email - teachers are not able to return emails immediately; do not expect responses outside of "school hours" Email - recheck all written directions prior to emailing questions Email – be detailed and as clear as possible in your request</p>
<p>Organization</p>	<p>Keep track of assignments using your school planbook Reference Schoology calendar and/or team calendars for due dates Organize your Google Drive files – utilize folders</p>
<p>Environment</p>	<p>Be aware of what is in the background during live class meetings and recordings Find a quieter place to work, especially during class meetings Wear school appropriate clothing during live meetings and video recordings School rules regarding general student behavior still apply</p>
