**YOU'VE LOOK GOOD IN STRIPES AND YOU'VE BEEN THE TRICKERS IN YOUR COMMUNITY**

There is a shortage of high school officials in almost every sport. In some communities, the sport is in critical and "high school" games are being either postponed or cancelled. Becoming a high school official is the reward of a job that makes a difference in the lives of young people every year.

Consider the many benefits of becoming a high school official:

- You'll be a role model for the youth in your community.
- It's a great way to stay in good physical condition.
- Hours are flexible.
- You'll earn extra income.
- You'll expand your network of friends and have fun!

***YOU GOT THIS!***

The PLMS Spelling Bee will be held on Wednesday, November 16, 2022, at 3:30 pm, in the PLMS Library Media Center.

As always, any student who wants to participate in the PLMS Spelling Bee may do so! The PLMS Spelling Bee is a very low-key event -- held after school -- so only spelling bee participants and their parents and/or guardians will be in attendance.

Students who are involved in another after school activity will need to let their coach and/or sponsor know that they would like to participate in the all-school, PLMS Spelling Bee.

Students who would like to participate in the spelling bee will need to see Mrs. Tobias, in Room 207, during Advisory to sign up for this year's spelling bee. Each student who signs up will receive study materials, contestant information, and additional Spelling Bee information. This will give students approximately 4 weeks to prepare for the all-school spelling bee. Spelling Bee sign-ups will be taken throughout October.

Please see Mrs. Tobias with any questions.
