SCHOLASTIC SCIENCE WORLDS CAPTION CONTEST WINNER

Another Tiger in the news, Seth Kitchens' funny caption won over the Science World editors recently.

Caption Contest Winners!

In *Science World's* September 20, 2021, issue, we invited students to enter our "Funny Caption Contest!" It challenged readers to create an original caption for the photo "ROFL" from the 2021 Comedy Wildlife Photography Awards.

After much deliberation, the *Science World* editors selected their three favorite captions!

Science World promised to donate \$1 to the nonprofit Save the Orangutans for every caption we received. Thanks to your entries, we contributed \$200 to the program.
